Worship Planning Notes

1. Invocation

Unity

Leader: Behold how good and how pleasant it is for brethren to dwell together in unity!

Congregation: We are one.

Leader: It is like the precious ointment upon the head, that ran down upon the beard, even Aaron's beard: that went down to the skirts of his garments.

Congregation: We are one.

Leader: As the dew of Hermon, and as the dew that descended upon the mountains of Zion: for there the Creator commanded the blessings, even life for evermore.

Congregation: We are one.

Leader: Sustainer of the Universe, thank you for our family members of different faiths.

Congregation: We are one.

Leader: Thank you for our family members of other Christian denominations.

Congregation: We are one.

Leader: We seek your blessings upon this gathering of saints.

Congregation: We are one.

ALL: We are united through faith and love. Please grant us the wisdom to live accordingly. We are one!

Sample 11 Days Plan for an Ecumenical Celebration

So you want to plan your own 11-Day celebration? Below is a list of activities from 2008 you might consider participating in and/or planning for your own church community. This is NOT meant to communicate that all activities should be done, but rather you can pick any of the bulleted items under each day to create your own plan.

Not every event listed has resources on www.11daysofunity.com. The items in **BOLD BLUE** are available for download at www.11daysofunity.com/resources. We have provided this list to help support you in being creative in your own community. While the possibilities are endless, we hope this helps jumpstart your involvement. Read carefully through each day, as some items are duplicated on multiple days to show a variety of options when you plan an event. This list is NOT exhaustive by any means!

At the end of this list are more ideas for your church. Start planning now! Get connected with the wider community through an interfaith council, other churches, and secular peace organizations. Finally, let us know if we can be of help in any way. Thank you for getting involved... in creating a world that works for everyone.
