

A MAN

By Adam Walker

My Brothers and my sisters, I know you may be experiencing some hard times! I know you may be going through some financial difficulties! I know you may have some trials and some tribulations in your life. But I've just stopped by today to tell you about a man!

A man that can change your life. A man that comes from humble beginnings but he is the greatest king to ever live! A Man. A man who's name rings bells to the far most corner of the world! A man that when the world tells you you can't, He says you can! A man that when the world tells you you're nothing and you're never gonna be anything, he tells you you are His greatest creation and you were created in His own image! A man that is the same yesterday, today, and tomorrow! What he did for Abraham, Isaac, and Jacob, He'll do the same thing for you and I! A man who's word cannot come back void!

I've just come by today to tell you about a man. A man who is waiting for you on a radio station called your heart; waiting for you to tune in so he can discuss topics with you such as salvation, joy, peace, love hope, everlasting life, prosperity, and victory in your situation! My brothers and my sisters I don't know if you know him, or maybe you've lost touch with his magnificent power. But I've just stopped by to let you know that once you've had an encounter with Him your life will never be the same again! This man has the ability to tell you all about yourself. A man! A man who is the Father, Son, and Holy Ghost all in one! A man who can do anything but fail! A man! A man who can turn your worst circumstance into your greatest success. A man who is always available for you on the 1-800-GODISABLE hotline! Hoping that you will dial Him up through the words of prayer, and cast your cares upon Him! So that He can turn your midnight into day, and then He can show up and show out in your situation! A man who is able to do exceedingly and abundantly more than we can ever imagine!

A man that I have come to know personally and if you would but allow Him into your life, He will take control of your mind, take control of your soul, take control of your heart, and order your steps in His will which is good, perfect, and acceptable! A man that promised that He will never leave you nor forsake you! A man! A man that when you feel all alone all you have to do is turn to Him and He will be the greatest friend you've ever had! A man that promised in His word that I know the plans that I have for your life, plans to prosper you and not to harm you! That if you just but trust in him, he will give you the desires of your heart!

Brothers and sisters I don't know if you realize who I'm talking about yet, but He is known by many names. He is the Lily of the Valley, the Bright and Morning Star! Others know Him as the Rose of Sharon, He is the Rock of Ages! Ahhh still others know Him as the Alpha and Omega, the Beginning and the End! He is the I AM THAT I AM! I just want to let you know about a man!

I know you may be fighting some battles in your life, but I just want to let you know that

the man that I'm talking about has never entered into a battle in which he has not won. And if you let Him be the leader of your army, every battle, every, adversity, every situation, every obstacle, every stronghold, every trial and every tribulation in your life He will fight them for you and you will come out victorious! I know it may seem that the storms of life are too much to handle. That the waves are pounding and the winds are tossing you to and fro! But if you let Him be the captain of your ship, I guarantee you that He will steer your ship through the storm to clear waters! A Man! A man that is so good that you can't stop talking about Him. Jeremiah said I tried not to mention His name, but when I tried not to talk about Him I couldn't because His word was in my heart like fire shut up in my bones!

He is the original superhero. His super powers include healing the sick, giving sight to the blind, making a way for you when there seemed to be no way! A Man! He is the Great Physician! He has the ability to pick you up, clean you off, and heal your life! The tools that He uses to perform surgery on your life are Grace, Mercy, and Love! If you don't know Him yet, I highly recommend that you get to know Him. He has a 100% success rate at turning lives around! He comes free of charge and with a lifetime warranty. If at any point you realize that He is not all that you need, you can turn Him back in. But I promise you that once you allow Him into your life, once you let Him take control of your heart, you won't want to get rid of Him, you'll only want him more and more!!

The man that I'm talking about endured death upon the cross so that you and I might live! The man that I'm talking about came not into the world to condemn the world, but that the world through Him might be saved. The man that I'm talking about is the son of David but his kingdom is not of this world! The man that I'm talking about, the Bible says that at the sound of his name that every knee shall bow and every tongue confess that he is Lord! The man that I'm talking about simply goes by the name of JESUS CHRIST! Amen. Amen. Amen.
